Relator-Plaintiff's Notice of Intent to Amend Complaint

Comes now Relator-Plaintiff, Torm Howse, providing notice of intention, pursuant to F.R.Cv.P. Rule 15(a)(1), of timely amending the Complaint to formally name individual persons as Defendants, particularly those that Relator-Plaintiff considers to be among the most flagrant persons within our nation and society, regarding a proliferation of abortion.

In particular, said amendment will purpose primarily to recoup for the financial losses sustained at local, state and national levels, to civilly prosecute the worst violators of the official public trust, and to punish *those still marketing abortion in defiance of this case*.

Respectfully submitted,

/s/ Torm Howse
